

We get your franchisees approved & funded.

Startup SBA Loans

Loan Amount:	\$50K - \$5M
Term Length	10 Years
APR	8 - 13%
Funding Time	8 Weeks

We qualify franchisees on the very first call.

- We go through their personal credit history.
- We go over their personal and household income.
- We inquiry into their savings/cash assets.
- We review their industry experience.

We work with 2 SBA programs, not just the 7A.

- We are able to offer loans that start at \$50k+.
- Our CA lenders can go down to a 5% equity injection.
- Our CA lenders do NOT have minimum credit scores.
- 7A lenders have upfront fees, our CA lenders do not.
- Our CA lenders have cheaper closing costs.
- Some 7A lenders will require personal collateral, our CA lenders will not.

We create business plans & projections.

- We review their business plans and projections and provide necessary corrections for \$199.
- We provide fill-in-the blank templates that meet our lenders' requirements for \$999.
- We can create these documents from scratch for \$1,999.
- This means less questions are asked during the underwriting process speeding up the approval, and these documents will meet a lender's requirements ensuring the approval.

You can see the entire funding process in our CRM.

- Once you send us a over a franchisee, you will be given access to our CRM where you will be able to follow the entire funding process including...
- Phone calls and emails.
 - Terms from lenders.
 - Their status at all times in the process.
 - How close they are to funding.
 - The exact moment when they are funded.

We get startups approved.
